HOW TO SUBMIT YOUR RETURN

Step 1: Print

Please be sure that the entire label is fully printed and that it is clear and legible. This ensures quick processing of your return.

Step 2: Cut

Carefully cut out the Return Label using the dashed lines. Check that all parts of the label are fully visible and intact.

Step 3: Attach

Securely affix the Return Label to the outside of your shipping box with strong tape. Cover or remove any existing stickers that may interfere with the mailing process.

Step 4: Drop Off

Find the nearest UPS drop off point at: www.ups.com/dropoff.

NOTE: Be sure to write down your tracking number or obtain a receipt from UPS to track your return.

Step 5: Sit back & relax

Your return should arrive at our warehouse within 1-2 weeks. If you have any questions or concerns, you may reach us at **1-800-810-6673** or by filling out the contact form on our website at www.drmartens.com/us/en/contact

All returned items must be in their original, unworn condition, with the shoebox intact and tags attached. ** By using this return label, \$7 will be deducted from your refund.
